

Additional Candidate for Diocesan Offices

Ms. Karen Rockwell - St. Timothy's, Macedonia - Diocesan Council, Lay

I am a cradle Episcopalian; one who believes that the via media has served us well, and behooves us to listen to ALL voices, so that we may find our common ground and grow in Christ together. I am a member of St. Timothy's Church, Macedonia.

I filled an unexpired term on Diocesan Council for 2+ years when our Summit Mission Area Council delegate moved from the Diocese. I've served on a lot of committees — dog clubs, vestries, Kenyon Alumni, United Way, Red Cross, and more. Diocesan Council has been one of the most interesting, thoughtful, energizing committees upon which I have served. The collegiality while also hearing all voices is a welcome change from the average committee. I hope to continue the work that we have begun and to serve all of the Diocese as an at large member to Diocesan Council. Thank you.
