Dianne Audrick Smith opened the meeting. After a brief check in with the group and opening prayer, Chancellor Bill Powel gave the group an update on reviewing the Church Attorney's appointment. In addition, he advised the group to send a letter to new parish wardens and treasurers regarding encumbering property and he discussed the change of use for rectory and subsequent easement in St. Timothy's, Perrysburg. The Standing Committee consented to the request for St. Timothy's lot consultation and the easement for the rain garden.

The Standing Committee approved minutes from the December Meeting. The group met with Bishop Anne and approved her appointment of Bill Powel to continue to serve as Chancellor. The group discussed working with Diocesan Council on Resolution R-2, and some changes made that better align candidacy and postulancy interviews with Commission on Ministry and Standing Committee. After a brief executive session, Bishop Anne discussed good things happening in the diocese and work that contributes to our diocesan vision.

The next meeting is scheduled for February 19, 2025 at Trinity Commons and Zoom.
